CONTINUE TO PARTICIPATE IN SUNDAY SERVICES ONLINE

There are three ways in which you can enjoy online services that are designed to suit your level of comfort

- Solo Church - From the comfort of your own home
- Home Church - In a small gathering with other believers
- Campus Church - In the sanctuary here at Grace Church—less than 50 ppl

SOLO CHURCH

Individual participation is for those who are at higher risk as it is still recommended that you remain at home.

HOME CHURCH

Home Church is the primary way in which most people can gather and connect with one another in a sensibly sized group.

CAMPUS CHURCH

Watching the service in the sanctuary is for those who are more vulnerable but still desire to meet in person. There will be **strict** health and safety protocols in place.

On-site Sunday morning protocols:

- Registration will be required in advance
- Limited to a maximum of 50 people
- Social distancing is mandatory
- Masks will be required for those who wish to sing
- No children's programs will be offered at this time
